Youth Council Committee Report
February 24, 2009**

The Youth Council has only met once since the October 2008 AWIB meeting. The date was November 12, 2008.

Topics included the Youth Participation application and cover letter, and planning of the May 09 face to face meeting to coincide with the AWIB meeting.

No subsequent meetings have taken place as both Youth Council co-chairs Todd Bergman and M J Longley's AWIB terms expired and they were not reappointed. The committee is waiting on a new Chair to be appointed before proceeding.

A prospective new Youth Council membership list was compiled by the committee and is ready for the selection process.
